| 5/31/25 | Learning Styles: How Boys Learn | 1939 |
| A California public school teacher teaches 'gender equality', that there are many genders, not just two. Dr Michael Gurian , author of <i>Raising Boys By Design</i> , says boys learn differently than girls and need to be taught differently. A boy's energetic spirit is seen as disruptive, and he may be put on Ritalin. Understanding the "hard wired" brain differences between the way boys and girls learn can mean the difference between success and failure. Boys learn by doing. Chris Plante reports on the Supreme Court 8:1 victory for free speech at college. Dennis Prager says a secular education can be disastrous to faith. | | |
| 5/24/25 | The Final Generation | 1938 |
| There is coming a Great Tribulation unlike anything ever seen on planet earth before where billions of people will die. Scripture describes a time of God pouring out His wrath on a rebellious, God hating world after the rapture of His followers. Israeli prophesy expert, Amir Tsarfati , author of <i>Has The Tribulation Begun?</i> , vividly describes the Revelation with a world-wide earthquake, plagues, death and devastation which is the result of most people rejecting Christ and choosing to worship the Anti-Christ. Yes, there will be some people saved from hell during the Great Tribulation because of warnings given today. | | |
| 5/10/25 | A.I. in End Times, pt 1 | 1936 |
| Artificial intelligence is setting the stage for the advent of the Anti-Christ who will use AI to fake omniscience. Prophecy expert Jimmy Evans , author of <i>The Tipping Point</i> , says AI is the most significant invention to change the world since electricity. AI speaks every language thus erasing God's curse dividing language at Babel. Trans-human soldiers have super-human powers. As prophesied in Rev 11, today is the first time in history that the whole world would see the two witnesses at the same time. Pastor Billy Crone says AI is essential for the Anti-Christ to micro manage the world's economy and know who has the mark. | | |
| 5/17/25 | A.I. in End Times, pt 2 | 1937 |
| Human brains implanted with microchips that connect a person to the Internet is becoming a reality. But if your brain is part of the World Wide Web, will you lose your mind? Proponents of a brain chip connected to the net say you could learn a college education without going to college. Pastor Billy Crone , author of <i>Klaus Schwab, The World Economic Forum and the Coming Mark of the Beast</i> , says according to Rev. 13, the world's economy will be controlled by one man. China is the model for the world with government control over every aspect of life. Digital currency means you could lose your bank account for protesting. | | |
| 5/3/25 | A New Vision for Education | 1935 |
| How can America get back to the ideas that made it the greatest Christian nation in history? Peter Marshall , author of <i>The Light and The Glory</i> , says, "Colonial New England produced the most incredibly, well-educated generation of Founding Fathers who were not only brilliant, but they were full of Godly Character." Amazing achievements include the revival at Yale led by its President; Jonathan Trumble who read the entire Bible at age 4 and passed the entrance exam to Yale at age 7. John Quincy Adams was an ambassador to Russia at age 14. Without absolute values, corruption and destruction are certain. | | |
| 4/26/25 | Choice In Education | 1934 |
| President Trump is an advocate for school choice, giving parents the choice for their child's education. Milton Friedman , the greatest economist of the 20th century, says, "Choice doesn't take money from public schools but gives the money to parents to use at any school of their choice. Choice improves education by competition." Myron Lieberman says, "Christian schools do a better job for half the cost of public schools." Robert Enlow and Leslie Hiner , say, "Improving education isn't theoretical! It's a fact through years of choice." Since parents care the most about their child, they should decide their child's future. | | |
| 4/19/25 | The Resurrection of Jesus Christ | 1933 Most |
| people have no idea of the infinitely high price God paid for their salvation! Pastor Robert Nash , author of <i>Last Words -7 Sayings From the Heart of Christ on the Cross</i> , says while Jesus was gasping for every breath, he spoke words filled with hope and compassion. William Frey , says, "Since God can raise the dead, death has lost its power over us." John MacArthur , of Grace to You, tells how the disciples were terrified before the resurrection but after seeing Jesus, they became fearless & transformed the world. Chuck Smith says, "The crucifixion wasn't an accident but designed by God to show his love and forgiveness for sin." | | |
| 4/12/25 | Standing Boldly For Freedom | 1932 |
| President Trump said that democracy & freedom are back in his brilliant State of the Union message calling this the "golden age" for America. What did he mean and what's his vision for the future? TV & radio hosts Ben Shapiro and Rita Panahi said, "Democrat leaders who wouldn't clap for anything or anybody, showed themselves, not just against Trump, but against American success." Under Biden, the government was turned against our freedoms. Pastor Todd Friel asks, "What kind of country does the President need to proclaim that there are only 2 sexes, men & women? Men are banned from women's sports. | | |
| 3/29/25 | Saving a Lost Generation, p 1 | 1930 |
| America has the largest number of Christian colleges, churches, Christian media and resources in the world. Yet with all these resources, why is America becoming less Christian? Christians pray for revival but put 90% of Christian kids in schools of atheism. Ken Ham , founder of <i>Answers in Genesis</i> and the <i>Ark Encounter</i> , and the author of <i>The Answers Books</i> , says older generations had an Acts 2 basic understanding of Christianity. But the younger generations are like the Greeks in Acts 17 who had no understanding of God, sin or the Bible. We need revival, but how can God bring revival without reformation? | | |

- 4/5/25 **Saving a Lost Generation, p 2** 1931
Americans are more divided than ever as the younger generation seems like a different culture. How can we communicate the gospel to those without any basic Biblical understanding? **Ken Ham**, founder of *Answers in Genesis* and the *Ark Encounter* and the author of *The Answers Books*, says younger generations understand the universe to be billions of years old. Thus, to them, there was death before Adam sinned, and God is to blame for sin, sickness and death, not sin! The earth, prior to sin, was a perfect paradise God called very good. People and animals were vegetarians. There was no death until Adam sinned.
- 3/22/25 **Immoral Confusion** 1929
A new sex ed. curriculum re-defines abstinence to promote perversion as normal. **Mat Staver**, of *Liberty Council* says, "Many schools are leading children in to harmful and sometimes deadly sexual experimentation using graphic magazines and videos". The "Advocates for Youth" curriculum promotes abortion over child birth and trains students to be advocates for abortion and homosexuality. Teachers coerce students into participating in the *Day of Silence* and become activists to support Planned Parenthood." Children would prefer to have their modesty and decency respected than to be embarrassed in class.
- 3/15/25 **Palestinian Solution** 1928
President **Trump** has offered a solution to the Palestinians and to Gaza, with businessmen, not troops, turning a war zone into a paradise. Israeli PM **Bibi Netanyahu** said, "President Trump's idea is unique and workable." When President Trump said, "We will own Gaza," was this simply a negotiating tactic? Tariffs and sanctions can open up Egypt and Jordan to accept Palestinians. **Joel Rosenberg** says Israel turned Gaza over to the Palestinians in 2005 who made it into a terror zone to annihilate Israel. **Amir Tsarfati** says Trump is negotiating deals for the Palestinians and for Iran to destroy their bomb.
- 3/1/25 **Christ's 1000 Year Reign, p 1** 1926
Pastor David Jeremiah says, "There must be a millennium so we can live out our rewards based on work we've done on earth." After we leave heaven, we will come back with Jesus to this re-newed earth to rule over those on earth who are still in their natural physical bodies. Author of *Heaven*, **Randy Alcorn**, says, "Our resurrected bodies will be like Jesus's body with flesh and bones. When Jesus appeared, the disciples touched him, and he ate food to show he wasn't a ghost." **Amir Tsarfati**, author of *Revealing Revelation*, says, "Our glorified bodies will have great power and capabilities to serve our King Jesus."
- 3/8/25 **Christ's 1000 Year Reign, p 2** 1927
There is coming a paradise on earth where we will have amazing powers and abilities. We will see Isaiah 65 lived out with the wolf and the lamb eating together and the lions eating straw. Author of *Heaven*, **Randy Alcorn**, says, "We will not be disembodied spirits but have real bodies like Jesus has. We will eat and taste the best food imaginable." **Pastor Tony Evans** says, "We will rule with Jesus to enforce righteousness in glorified bodies that are invincible, indestructible!" **Pastor Chuck Smith** says, "After living in paradise, Satan is released from hell to deceive the nations to follow him to war against Christ."
- 2/15/25 **Final Days of the Church Age, pt 1** 1924
We have entered a new era of global crisis as end time events fall into place. A super crisis will be when millions of Christians are raptured out of this world, creating massive chaos and carnage. Most believers are not ready for the rapture but others, like Pastor **Jack Hibbs** of *Calvary Chapel Chino Hills*, say they are excited, eager and ready to go. Pastor **Barry Stagner**, author of *The Time of The Signs – A Chronology of Earth's Final Events*, quotes Jesus as saying 'This generation shall not pass away.' The rapture is *the most glorious moment as flesh and blood are replaced with an everlasting spiritual body* with amazing capabilities.
- 2/22/25 **Final Days of the Church Age, pt 2** 1925
Isaiah 17 prophecies the destruction of Damascus by Israel that could be the beginning of the end of this period of God's Grace. We are living in the earth's final days signaling that the rapture and Great Tribulation are close. Pastor **Barry Stagner**, author of *The Time of The Signs – A Chronology of Earth's Final Events*, says we could see the beginning of the Ezekiel 39 war but be raptured out before its end since God's grace gives way to his wrath on Israel's enemies. The Anti-Christ will come from the area of the Roman Empire. **Amir Tsarfati** vividly describes the horrors of God's judgement in the Great Tribulation.
- 2/1/25 **Answering the Skeptic, part 1** 1922
What are some questions that Christians find hard to answer convincingly? Ironically, they're the ones that most need to be answered. How do you answer. "What's the proof for an invisible God's existence?" How do you know heaven exists? Inadequately prepared students are easily persuaded to give up their Christian beliefs in secular schools. **Mark Mittleberg**, author of *Questions Christians Hope No One Will Ask*, gives fascinating examples of compelling answers to sincere questions that enable skeptics to become believers. *What are the two essential concepts a person must believe before putting their faith in God?*
- 2/8/25 **Why God Allows Pain and Suffering part 2** 1923
How can an all powerful God allow evil and suffering and still be good? Ironically, people blame God for suffering and evil and disregard sin and Satan. What are the supposed Biblical contradictions that skeptics ask about? **Mark Mittleberg**, author of *Questions Christians Hope No One Will Ask*, says, "How can all religions be the same when they are contradictory, such that Buddha didn't believe in God and Jesus claimed to be God." Science teachers ask how anyone honestly believe in God when there's no proof in this scientific age that He exists? What about those who have never heard the gospel?
- 1/18/25 **Abortion Debate part 1** 1920
Life is precious when a woman wants a baby, but it's a disposable 'fetus' when she doesn't. So the life of the baby is dependent on the mother, not absolute values. The exception for the 'Life of the mother' has come to mean *quality of life* or convenience. Pro-life speaker **Seth Gruber**, of *The White Rose Resistance* says, "50% of all abortions are done with a pill, RU 486!" Abortion is part of the deeper spiritual war but many pastors miss it. **Charlie Kirk**, president of *Turning Point USA*, joins Seth Gruber to answer questions like, "keep abortion safe and legal." "What about rape, incest and life of the mother?"

Abortion Debate part 2

1921

Mark Spence, VP of outreach at *Living Waters*, asked a young couple about abortion. They said they believed in treating others as they would like to be treated doesn't apply to unborn babies, since it's not a person! **Dr Bernard Nathanson** who helped make abortion legal, and aborted 75,000 babies, says he was converted to be prolife and Christian and made a sonogram of an abortion in "Silent Scream" demonstrating what abortion really is. Radio host **Mark Davis** answered a caller that "privacy" is not a constitutional justification to keep abortion legal. To be honest, it is a baby and killing it is murder.

Maturing Through Suffering

1919

What do many Christians with weak faith do when disaster strikes? Radio and TV host, **Joni Eareckson Tada**, author of more than 50 books including, *An Unforgettable Story*, has suffered for over 50 years with quadriplegia and extreme pain. Then she got breast cancer! What helps is focusing on Jesus and his suffering to pay for our salvation. **Tim Hansel**, author of *You Gotta Keep Dancin'- In The Midst of Life's Hurts You Can Choose Joy*, suffered a tragic fall that broke his back, causing him to be in extreme pain, says, "This light and momentary affliction is preparing for us an eternal weight of glory beyond comparison!"

A Faith That Overcame Fear

1918

Do you have a vague hope that you'll go to heaven or the certain fearless faith that overcomes your fear of death? Pastor **Randy Alcorn**, founder of *Eternal Perspective Ministries*, is the author of over 60 books including *Heaven* and *We Shall See God*, gives inspirational, heartfelt message at his wife Nanci's memorial service that will increase your faith and decrease your fear of death. Strong faith doesn't magically or instantly happen but takes study and time to put into practice. Knowing God is Almighty and loves us infinitely allows us to pray, "Thy will be done." Nanci was transformed by her deep faith in Christ.

When God Doesn't Make Sense

1917

Since God is good and all-powerful, why does He allow terrible things to happen to people? Why is God silent when I am hurting? How do you handle unanswered prayers? **Dr James Dobson**, author of *When God Doesn't Make Sense – Holding Onto Your Faith in the Toughest Times*, tells how broken he was by seeing his 3 year old son Ryan suffer during a medical procedure. So too, God the Father suffered watching Jesus on the cross. Jesus weeping with Mary and Martha over the death of Lazarus shows how God suffers with us. Jesus demonstrated His power over death by raising his dead friend Lazarus back to life.

The Birth of God

1916

The greatest event in all history was that the Creator of the universe became a baby, the man Jesus. It's amazing that the God who created everything came to earth as a single cell, says famed actor **Bruce Marchiano**. Pastor **Francis Chan**, author of *Crazy Love*, gives an impassioned Christmas message exclaiming how God emptied himself and left heaven to become a man! If you want to know what God is like, look at Jesus! Jesus shows that God isn't angry but loving, patient and kind. When a primitive tribe heard the gospel that God had forgiven them of all sins, they leaped for joy and celebrated for hours.

12/14/24

Celebrating Christ

1915

What is God like? Hundreds of years before the birth of Christ, Isaiah prophesied about Christ, "Unto us a Son is given: and His Name shall be called Mighty God, the everlasting Father." Was Jesus really God? Was He the Creator? He was. God came to the earth He created in the smallest form possible, as a single cell. Filmmaker **Bruce Marchiano**, who acted the parts of Jesus in more films than any other, is the author of *Jesus Yesterday, Today and Forever*. What was Jesus like as a child? What was it like for Mary, expecting Jesus to rule the world, to see Him crucified? Why did Jesus have so much supernatural joy!
